Stuart Varnam-Atkin will present an introduction to Bunraku, including demonstrations by the human performers and the puppets.

Part II

Performance: 'The Island of Demons' from Heike Nyogo no Shima

This scene from the popular masterpiece by Chikamatsu Monzaemon, the 'Shakespeare of Japan', focuses on the tragic events surrounding the high priest Shunkan, who was exiled to a remote island after a failed conspiracy to overthrow the Heike clan. Top performers, a spectacular mobile set, emotional dialogue, and a heartbreaking climax... It's a thrilling and moving experience.
